

## INFANT ADDENDUM TO ENROLLMENT

Dear Parent:

This child care center participates in the USDA Child & Adult Care Food Program (CACFP). This program provides reimbursement to the center for creditable meals served to your infant while in our care. We want to work with you to provide the very best nutritional care for your baby. Under the CACFP regulations, the center may NOT charge you a separate fee for meals that are claimed for reimbursement.

We use the meal pattern below, which was developed by the USDA for centers participating in the CACFP. The type and amount of foods served vary according to the age of the infant. However, the actual foods we provide will be based on what you tell us about your baby's own food needs.

Age	Breakfast	Lunch and Supper	Snack
Birth through 5 months	4-6 fluid ounces formula or breast milk	4-6 fluid ounces formula or breast milk	4-6 fluid ounces formula or breast milk

Talk with your health care provider and let us know whether you want to use breast milk or a formula while your child is in the center's care. We also need to know when you will introduce solid foods to your infant. You may choose for us to provide the formula, or you may provide the formula for your infant.
